

MDRC Winter Running Gear Sale

Need some motivation to continue adding those miles over the winter?

The MDRC has the answer!

We are offering an Under Armor jacket and pant set for sale to help keep you warm and build team unity until next season. They are black and will have the Moorestown Cross Country logo as well as your name embroidered on them. There is a sample jacket for you to see and try on for size at the "Moorestown Running Company". We are also offering the uniform Hind shorts and singlet since they seem to be a popular choice as running gear for the team (as well as a good idea if you have lost yours).

Please note that this is NOT a fundraiser. We are getting the items at a discount from our favorite store and the MDRC will be picking up the cost of the logo and last name monogram (an over \$30 value for both pieces).

**** This set would make a great gift idea, too! ****

Please fill out the order form below with a check payable to MDRC and send it in by Friday November 16th. Any questions, contact Kathy Wolff at 727-0426 or wolffkathy@hotmail.com.
