

# Moorestown Nature Trail Fund Raiser

The MDRC, in collaboration with the Moorestown School District and other community organizations, is leading an effort to put in a Nature Trail around the Moorestown High School fields and woods.

## We Need YOUR Help!

The first step was put in place in October, 2006 with a wood chip trail around the new fields on Bridgeboro and Westfield Roads. This was completed by the generous donation of time, material and equipment from **Leonberg Nurseries**, along with funds from MDRC and over 50 volunteers from the Cross Country teams.

The School District has put in a proposal for a trail through the woods surrounding the school.

The trail would go through wetlands areas, and requires state approval. Since it would not alter the landscape, and would be made of all natural material, we are hopeful to receive approval. In addition, this gives Moorestown residents a much needed, well-maintained trail to walk and run on while enjoying nature.

To complete this project, the MDRC is holding an additional fund raiser during the Turkey Trot. MDRC is looking to individuals for support, as well as other community and corporate sponsors. The expected total cost of the trail will be \$10,000-15,000.

**We have a special Matching Gift offer from Family Fun Day – they will essentially DOUBLE whatever your contribution is. Please send your contribution today to:**
